Remarks: -
01) Material is free from surface defects.
02) 100% visual inspection is carried out in accordance with the specification.
03) Chemical, Mechanical & Dimensional test results are recorded and verified against the above specification limits.
04) Material shall fulfil all required properties as specified in the above specification.
05) No weld repair is allowed.
06) Above mentioned test results are subject to test carried out in order to the Purchase order requirement.
07) All dimensions are as per specification.
08) All test results are as per specification.

We confirm that above mentioned Items was Manufactured, Sampled, Tested and Inspected in accordance with the subjected Customer's Purchase Order and as applicable Drawings, Material Specifications, Codes & Standards and the results of the items have been determined to meet the users' requirements.
